

# Condominium Buildings In MANHATTAN

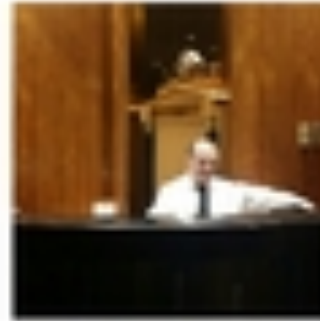

BY KEVIN

# Most Condominium Buildings Have A Lobby And Are All Around Manhattan.

These Buildings Have Nice Structure Inside, And Very Spacious.

This Is What Most Condominium Apartment Looks Like. It Has 2 Bedrooms, Bathrooms, Living room, Dining room, and Kitchen.

# Some Apartment With Terrace Shows A View of Streets and Avenue.

# Residential Buildings Such As Condominiums Are All Over Manhatt an...

# View From 731 Lex. Ave.

# About Condominium Buildings.....

- When you come to Manhattan, and you need an apartment, you'd likely to pick a "Condominium" apartment, because of its popularity.♪
- People buy and rent these "Condominium apartments". According to "Nybits", these buildings are fairly tall, and it has a lobby, mailrooms, and sometimes F.T. doorman. These apartments are sometimes luxurious and sometimes humble. These have 0 bedroom (studio) to 4 or more bedrooms.♪
- For rent, According to "Streeteasy", these apartments are \$2,000~\$10,000(or more...), and for sales, also according to "Streeteasy", the apartments are from \$100,000 ~ \$90,000,000 (or more...)♪
