

It's Not Funny [actually it is] Its Dog Poop

By Katie Elias

Do you like dog poop? No you don't its disgusting. Don't you agree? I can't hear you!
Ok, stop laughing. Wait are you laughing? Stop.

So, you are walking at home (like I was) then you step in dog poop like I did. Get it off! Get it off! AHHHHHHHH!!!! Zzzzzz! Huhshoo! Huhshoo! Oh sorry I fainted. I stepped in dog poop. Who wouldn't faint? Imagine stepping in a blob of dog poop that was as big as your foot and then it went in between your toes! It would be all squishy when you walked and smudge on your foot. Then you would waste water washing it off. WHOOSH! One-hour later omg! I wasted so much water. See? That's what I'm talking about!

Now here's the deal with small dog poop. I have a puppy, Charlotte. She's cute but once she poops and you step in it that's it! If you want the dog to learn here's a neat trick. First make her smell the dog poop. Here Charlotte, come here. Sniff sniff. Then say no and give her a smack on the nose. That'll do it...until next time at least.

Don't you think it's disgusting picking up dog poop? I'm right and you are too if you said what I said. My mom had a contract that we had to pick up Charlotte's dog pop. We didn't follow it (by not picking up dog poop) because that's disgusting. If you pick it up it feels so gross. It almost fills the whole plastic bag or what ever you use to pick it up. I feel bad if you don't have a plastic bag because then you'd have to use your hand and actually feel it!

You know how if your dog doesn't behave you don't usually punish it SO GET OFF THE SOFA WITH THE BOWL OF CHEETOS IN YOUR HAND TURN OFF THE TV AND TAKE CARE OF YOUR DOG!!!! I don't have to because I'm just too lazy and I don't feel like it but it doesn't mean you can't take care of your dog! Call me if you want a trainer. I'm your dream. I wish this was like a commercial with the deep voice of a man call one eight hundred eight eight four zero one..... No I'm not telling you my grandparents house number. Get a real trainer.
