

# NYC Buildings

Made By- Lindsay Hauptman

# *Skyscraper*

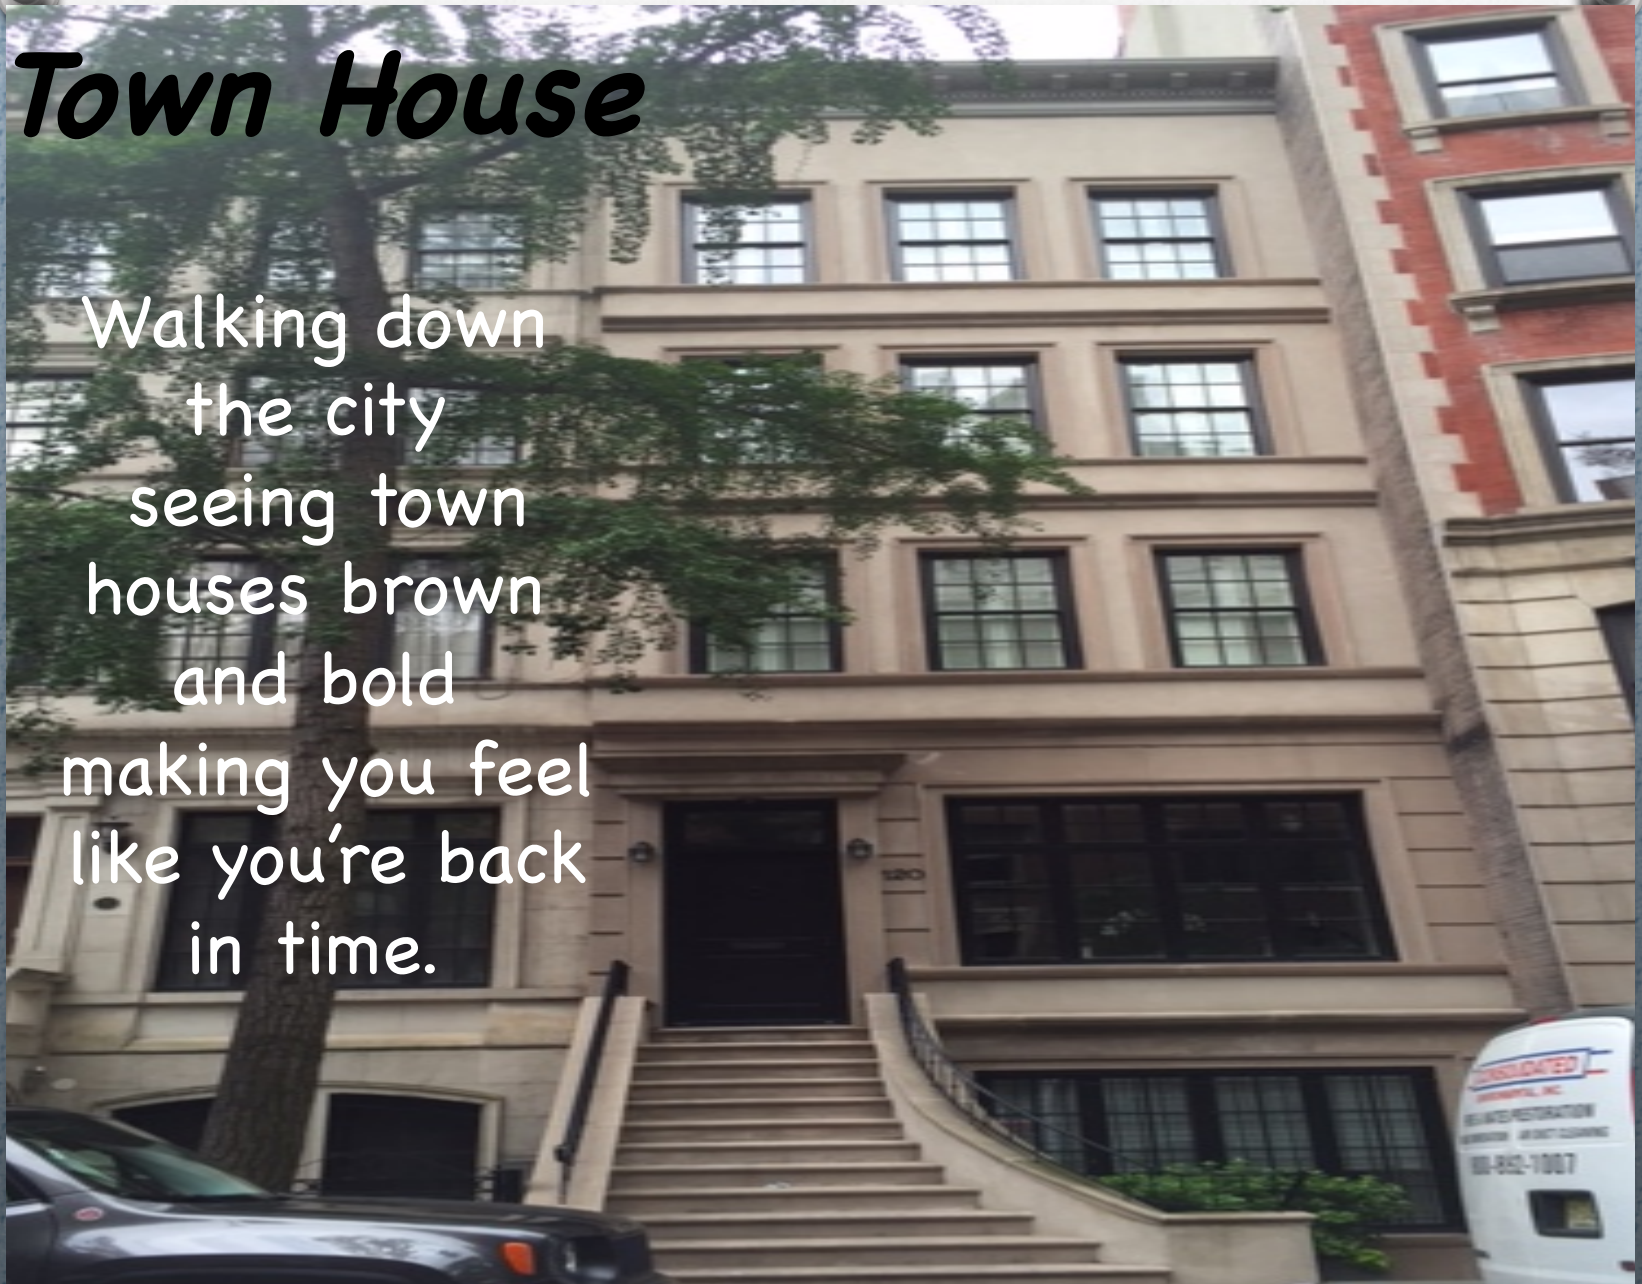

Walking  
through the  
city  
seeing  
skyscrapers  
way up high

# ***Town House***

Walking down  
the city  
seeing town  
houses brown  
and bold  
making you feel  
like you're back  
in time.

# ***Different Angles***

Left, and  
right, curved,  
and straight.  
From a high  
view looks  
great. Don't  
worry if you  
can't see, all  
of the  
different  
angles look  
pretty.

# ***Different Heights***

High, low, up,  
and down.  
All of these  
building  
come  
together and  
make a  
town.

# ***Some Are Wider And Bigger***

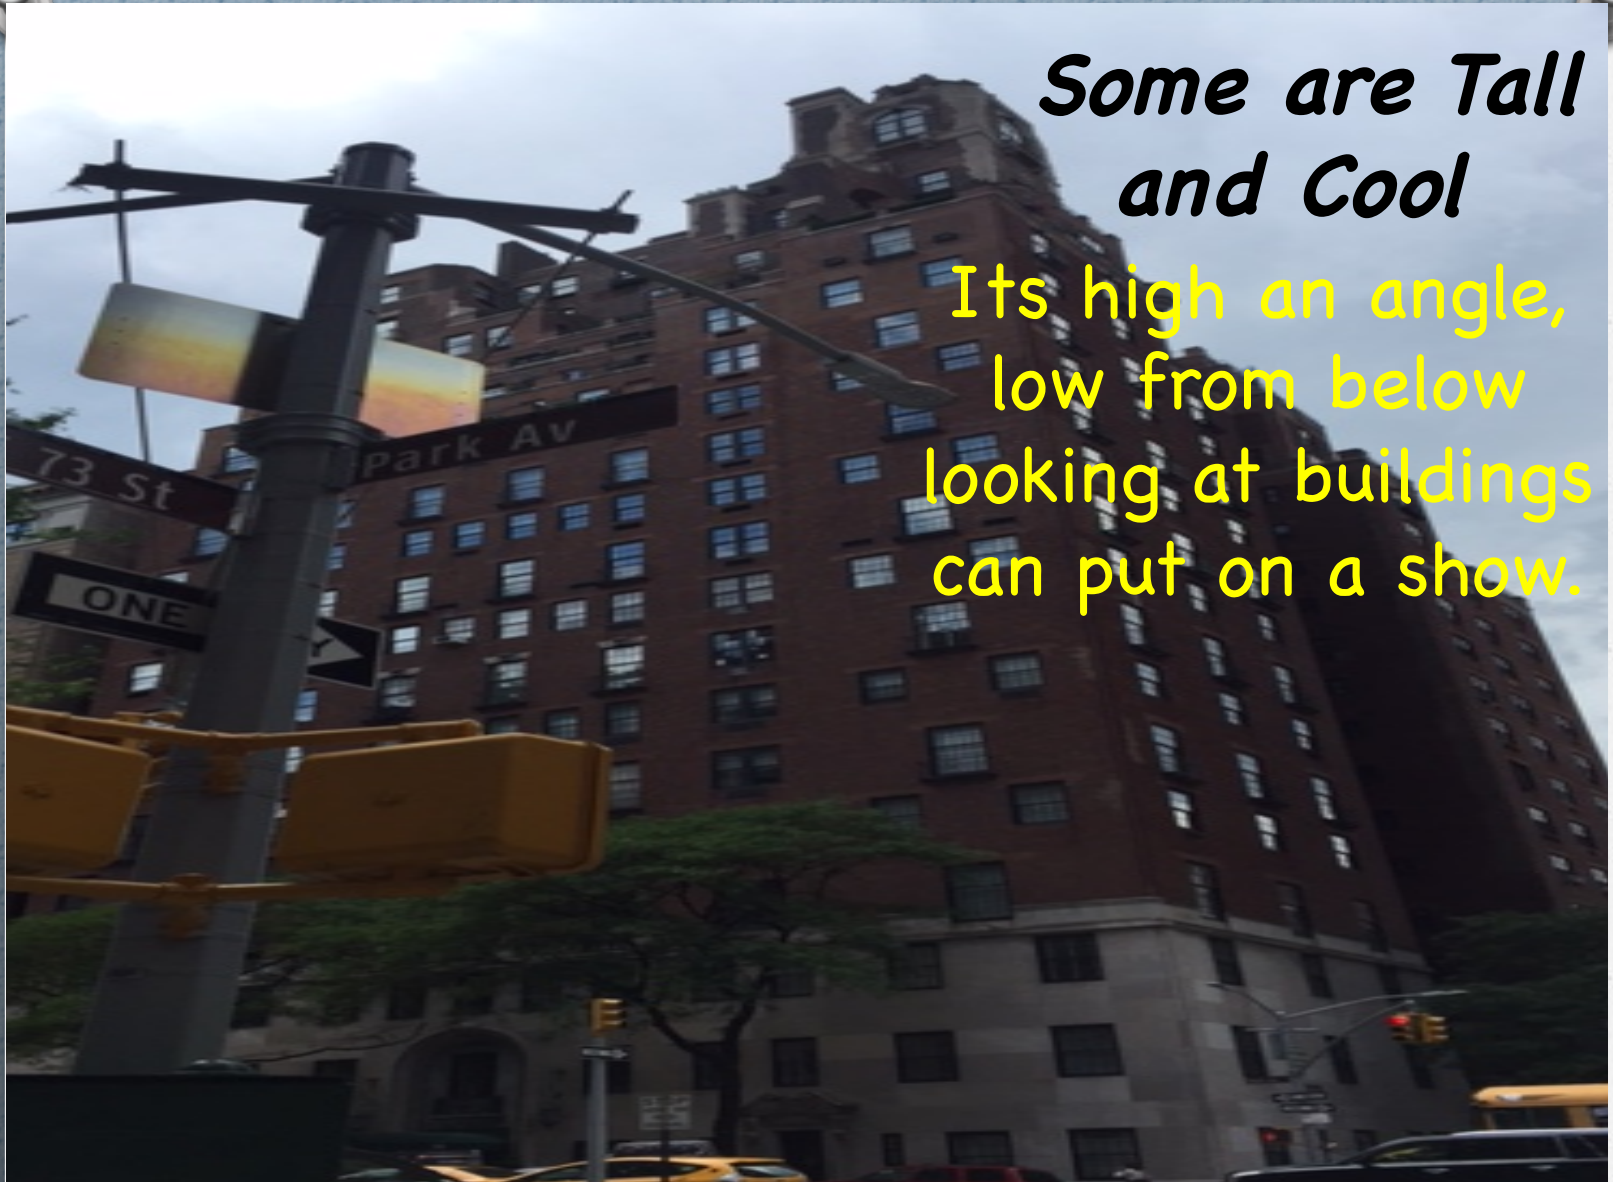

Big, wide,  
small,  
square all  
of these  
building's  
do their  
share.

# *Some are Tall and Cool*

Its high an angle,  
low from below  
looking at buildings  
can put on a show.

# *Some Have Numbers*

1, 2, 3, 4  
there are  
numbers on  
building  
doors.

# ***Some Have Doorman Some don't***

Some buildings have doorman  
protecting the building  
rely on them day  
and evening
