

Transportation

By: Miguel Rodriguez

Photo Essay

People all over the world use transportation

Transportation has changed over the years. In the olden days people used to get around by horse and now people mostly use cars and buses.

Transportation means going from one place to another place.

There are a lot of things that can transport you. Here are my pictures to show different kinds of transportation.

125 Street Station

4 5 6

Elevator across Lexington Av

EMERGENCY EXIT

JEA BUS CO INC. OPERATOR **0095**
