## Barbie Doctor

*Barbie doctor*

Hi, I am a doctor, and I inspire kids to care about others and help those in need.

# Barbie Doctor

- \* *The Barbie doctor helps others really well and inspires kids strongly! The job of the Barbie doctor idea was created in 1973 and Barbie pet doctor was created in 1985. The Barbie newborn baby doctor was created in 2009. There was also a Barbie dentist idea created in 1997. By creating a Barbie doctor it really inspired to help others when they grow up, so it was really smart and now there are more Barbie doctors that are very modern.*

*Barbie cook*

## *Barbie cook*

Hi! I am a cook, and I inspire kids to work hard and get their hands dirty!

# Barbie Cook

- \* *The Barbie cook inspires to really work very hard at all times! And to be very confident. The Barbie cook idea was created in 2007! Also, a really funny thing is they decided to make a Barbie TV show chef in 2008. Now, we don't have much of those but at that time I'm sure they had a lot! I'm sure lots of kids want to be a cook now all because of Barbie!*

*Safari Barbie*

*Safari Barbie*

## *Safari Barbie*

Hi, I am a safari Barbie, and I love to explore and take care of animals! I inspire kids to not be afraid to explore and be kind to animals and also to be free!

# Safari Barbie

- \* *Safari Barbie is very enthusiastic and shows kids to be just like her. She is not afraid of anything. She is very brave too. Kids love to play with her because when some one just hears the word "Safari Barbie" they get lots of creative ideas of what to do with her since she is around wild life! She also makes kids love wild life, which is something special!*

Builder Barbie

# Barbie Builder

# Barbie and Ken Builders

Hello! We are Builders. We inspire kids to try to do amazing things for others and work hard.

# Barbie and Ken Builder

- \* Barbie and the first Ken builder were made in 1995. Barbie and Ken builders really inspire kids to work very hard. They teach kids to work very hard, because making something with their hands from scratch and creating it into something you can use is impressive and takes a lot work and dedication. Teamwork is also very important and Barbie and Ken builders work together to teach kids that. Being a builder takes effort, so if you want to be a builder let Barbie and Ken inspire you!

*Barbie Fashion Designer*

*Barbie fashion designer*

*Hello, I am a fashion designer, and I inspire kids to do their best for others and bring the bling!*

# *Fashion Designer Barbie*

- \* Fashion Designer Barbie inspires kids to be enthusiastic about what they want to be when they grow up, creating and designing amazing things! The Fashion Designer Barbie was created in 1960. The styles may have changed but Fashion Designer Barbie is still going for it and making even more modern and colorful designs! Playing with Barbie's different designs lets kids express themselves.*

# The End!

*"My whole philosophy of Barbie was that through the doll, the little girl could be anything she wanted to be. Barbie always represented the fact that a woman has choices."*
