

Buffalo zoo

By: Thura Han

Bald eagle

Mule

We purchased Candyam
from a sawyer (and boat worker).
He got a bigger male to pull his boat.
Candy pulls our wagon to town every day.
A male has a donkey for a father
and a horse for a mother.
Males cannot produce babies of their own.

Bighorn sheep

Gorilla

Tentacled snake

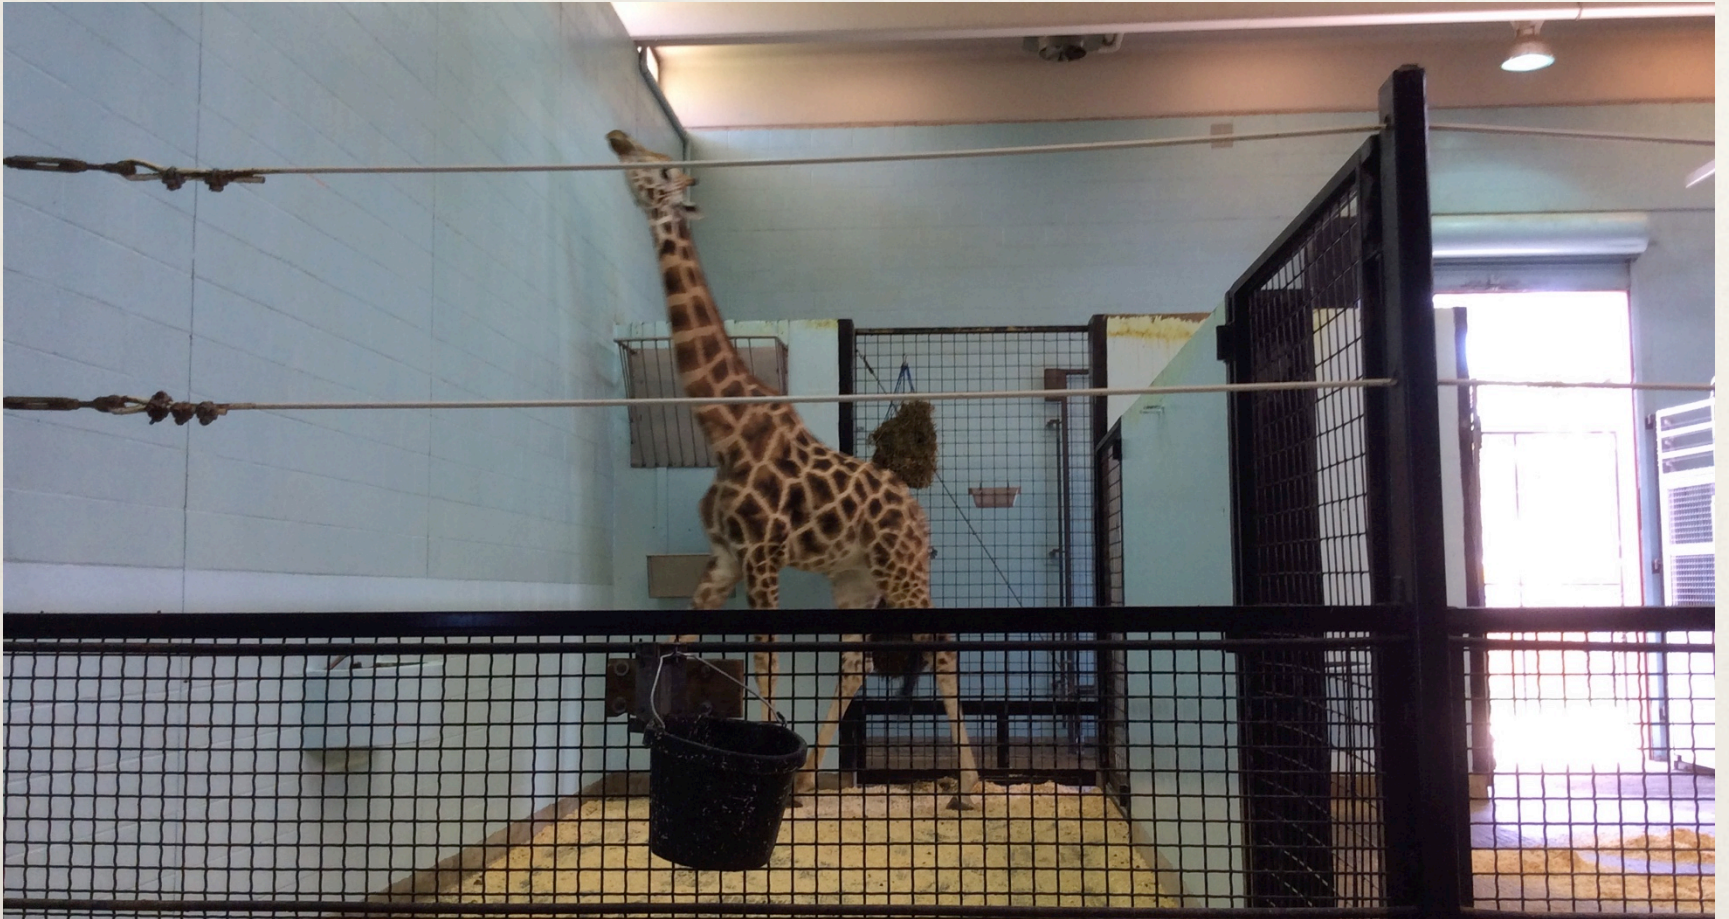

Rhino

Giraffe

Poison dart frog

Zebra

Buffalo

Lion

Information

The buffalo zoo was the third oldest zoo in Buffalo in New York.
It is a zoo where you enjoy with your family and friends.
